Project Join US hosts Open House at Starbucks and USO of Illinois Provides Entertainment to Honor and Thank Our Local Service Members and Veterans

Project Join US in conjunction with Starbucks at the Streets of Woodfield will be hosting an Open House community gathering with entertainment from the USO of Illinois to honor our local Service Members and Veterans on Monday, May 18 from 6:00 p.m. to 9:00 p.m. at Starbucks at the Streets of Woodfield, 601 N. Martingale Rd #370, Schaumburg, IL 60173.

Project Join US, Inc. is a company of inspired individuals who market and design innovative products, made in the U.S.A. with green awareness, on a mission to deliver a message of gratitude with honor for our Service Members and Veterans. Their grass roots actions have led the way for extraordinary opportunities to be an example that the business community can serve our world. They will raise funds for our Service Members and Veterans intended to lift spirits and mend visible and invisible wounds. Project Join US, transcends politics, races, and religions.

Concept artist Diana Anastazia, the daughter of immigrant parents who's father, a Polish Catholic, Holocaust survivor liberated by the U.S. military from Buchenwald, began the grass roots actions in 2003 that has now become Project Join US. "Awareness beyond the call of duty" is a motto that reflects the conversation she had with a Marine in 2006 that kept her inspired to design a new product line. Diana brings together Starbucks and USO of Illinois for an evening of honor, gratitude, fun, history, and new connections.

Present at the open house will be representatives of the USO of Illinois, members of all the branches of the Armed Services, Veterans, and various suburban First Responders including Fire Fighter and Law Enforcement personnel, along with Teachers and Students from the local communities. Also present will be many who have gifted Project Join US, prayers and blessings, time, creativity, funds, and the encouragement to bring the project to fruition.

Join US, Starbucks, and USO of Illinois to shake hands, share stories and say thank you to our Service Members and Veterans for the privilege of living in the United States of America. Diana feels, "we are all here to serve, so let us do our part to mend hearts and wounds." "Every one of U is a part of US".

The USO's mission is to enhance the quality of life of the U.S. Armed Forces personnel and their families worldwide and to create a cooperative relationship between U.S. military communities and involved or supporting civilian communities. *USO is a civilian 501(c)3 registered non-profit that is funded by the generosity of the American people. For more information on how to support the troops and their families through the USO please visit www.uso.org/illinois.*
